

Week of December 3

Report Infectious Illnesses

As the cold and flu season ramps up, remember that we have several immune-compromised individuals at Springwater. Please keep sick children at home and ***inform the office of any infectious conditions*** to protect ALL children and staff.

Coffee Talk - Creating Community Connection

Gather before FFS at 8:35 - 9:00 am on December 7th in the cafetorium to discuss volunteer and outreach opportunities for creating a sense of belonging within the Springwater community.

Field Study Reminder

Yes, there is FFS scheduled for December 12/7 and 12/14. Along with 11/30, that makes 3 Fridays in a row - not a typo! Students should only come to school on Friday mornings if they are able to attend field studies. We welcome them back in the afternoon if they are unable to attend FFS.

Dine Out Fundraiser

California Pizza Kitchen will donate a portion of their sales for the week of Dec 9-15, look for more info coming soon.

End of Trimester Celebration

Plan to attend our community gathering honoring all the hard work of students and staff on December 19th. All are welcome and encouraged to come together as a community to celebrate!

Schedule

- 4:00-5:45 Open House format throughout school: Scholastic book fair, student-led fundraisers, pizza sales, ugly sweater contest, art display, and much more
- 5:45-6:00 Student group performances in the cafetorium
- 6:00-7:00 Board Q&A in Kathy's classroom/ Students in cafetorium with "The Grinch" sing-along movie.

Snow Day

Save the Date for Snow Day on January 18, 2019. This is a popular, annual, school-wide event held at Mount Hood Ski Bowl, which features hours of tubing, a themed snow building contest, and other family fun! Don't forget to pre-purchase tickets using the link below. Ticket sales will be open until midnight on January 11th.

Volunteer Sign-ups

The volunteer sign-up is being updated and overhauled (Thank you Julie Mettert!). As you are shifted over to the new and improved system, you will receive an email to confirm your slot.

Dyslexia Information Session

Dr. Thomas-Beck will be providing information about recent legislation related to screening for reading difficulties, the screening process, and how it helps identify risk factors for students, reading growth over the year, and strategies and resources that provide the necessary support for students who have been diagnosed with Dyslexia.
