

SpringWater Weekly

July 18, 2019

I hope everyone is knee-deep in summer. It's time to cool off in creeks, find new trails, eat peas out of the garden and discover new books.

I have been getting to know the school and learning about all the wonderful opportunities at Springwater. Thankfully I have some amazing guides. A brief shout out to Heidi, Jen, Katie, Genevieve, April and all the teachers for answering a ton of questions and pointing out some of the important things that need to be done before school starts--like sending out a newsletter.

Camp Get Dirty

There is still room to join us for Camp Get Dirty July 22nd-26th at Springwater. Email Jen@springwaterschool.com for details.

New Bookkeeper

Rebecca will be moving to a full time administrative assistant position at Bilquist Elementary in North Clackamas. She will be missed and we wish her the best of luck in her new position. We are fortunate to have found another Springwater parent to fill this position. Kelsea Wagner will be the new Springwater Bookkeeper. Kelsea has a strong background in accounting and finance from her experience with Charter Mechanical. Please help us welcome Kelsea in her new role at Springwater.

Summer construction

We will be repairing/replacing the roof of the Gym this summer. The work is scheduled to begin 7/28. The roofing contractors have said that all work should be done before the start of school, but it may be cutting in close--stay tuned.

We are also hoping to replace some of the aging siding on the portables. As you know, this is a busy time for builders. If you know of any licensed and bonded contractor who might be available for a relatively small job, send their names my way. greg@springwaterschool.com

Lend a hand

Have an hour or two to help out around school this summer? It is pretty quiet here and I could use some company. We have some spiderwebs that need to be removed, some railing in need of paint, exterior windows washed, and some weeds to be dislodged. Drop me a line and come on out. greg@springwaterschool.com

Office Reopening

Springwater's main office officially reopens on August 19th.

Park Meet Up

Families interested in getting together this summer. Let's meet at the Rivercrest Spray Park from 12-2:00 Tuesday July 30th.
