

Springwater Environmental Sciences School Healthy and Safe Schools Plan Introduction

In 2017, the Oregon State Legislature passed SB 1062, which requires that, every school district, education service district, and public charter school develop a Healthy and Safe Schools Plan (HASS Plan). Each organization's HASS Plan has specific requirements that must be included for the HASS Plan to comply with state law. All HASS Plans are due to the Oregon Department of Education by July 1, 2019. Additionally, each school district, education service district, and public charter school is required to certify annually that the organization continues to comply with the requirements of the HASS Plan by filing an Annual Statement. The following plan was developed to meet these requirements.

1. Responsible Person

The person responsible for administering and implementing the Healthy and Safe Schools Plan:

Name: Greg Mylet

Position Title: Principal

Phone Number: 503-317-3571

Email Address: greg@springwaterschool.com

Mailing Address: 16491 S. Springwater Road, Oregon City Oregon 97045

The person who is the designated IPM Coordinator:

Name: Greg Mylet

Position Title: Principal

Phone Number: 503-503-317-3571

Email Address: greg@springwaterschool.com

Mailing Address: 16491 S. Springwater Rd. Oregon City, Oregon 97045

The person responsible for AHERA information:

Name: Greg Mylet

Position Title: Principal

Phone Number: 503-317-3571

Email Address: greg@springwaterschool.com

Mailing Address: 16491 S. Springwater Road, Oregon City Oregon 97045

2. List Facilities

All facilities owned or leased by Springwater Environmental Sciences School where students or staff are present on a regular basis are covered by this HASS Plan. The list of those buildings and facilities is below:

Main Building (Logan School)	Portable #1
Portable #2	Portable #3
Portable #4	

3. Elevated Levels of Lead in Water Used for Drinking or Food Preparation

All school districts, education service districts, and public charter schools are required to test for and eliminate exposure to elevated levels of lead in water used for Drinking and Food Preparation through either remediation or eliminating access, according to OAR 333-061-0400 and OAR 581-022-2223. In conformance with those administrative rules, Springwater Environmental Sciences School certifies the following:

1. All testing was done according to the testing requirements in OAR 333-061-0400;
2. All samples were analyzed by a lab accredited by Oregon Health Authority to test for those materials;
3. All water fixtures required to be tested under OAR 333-061-0400 were tested for elevated levels of lead in accordance with the testing schedule developed by the Oregon Health Authority; and
4. The testing schedule for each building covered by this plan is set forth below:

Main Building tested yearly in June	Portable #2 tested yearly in June	Portable #4 tested yearly in June	
Portable #1 tested yearly in June	Portable #3 tested yearly in June		

4. Lead Paint

In order to comply with the United States Environmental Protection Agency’s Renovation, Repair and Painting Program Rule, the district will only contract with certified lead based paint renovation contractors licensed by the Oregon Construction Contractors Board.

5. Asbestos

Springwater Environmental Sciences School complies with the federal Asbestos Hazard Emergency Response Act (AHERA). All required asbestos management plans are available for viewing by submitting a request to Greg Mylet or April Newlon.

6. Radon

Springwater Environmental Sciences School has developed a radon plan as required by ORS 332.167. Community members can access a copy of the radon plan [here](#). Test results will be made public fall of 2020.

7. Integrated Pest Management

Springwater Environmental Sciences School has adopted an Integrated Pest Management (IPM) plan as required by ORS 634.700 through 634.750. Community members can access a copy of the [IPM plan](https://www.springwaterschool.com/wp-content/uploads/2020/05/Integrated-Pest-Management-Plan-Springwater-Environmental-Sciences-School.pdf) here:
<https://www.springwaterschool.com/wp-content/uploads/2020/05/Integrated-Pest-Management-Plan-Springwater-Environmental-Sciences-School.pdf>

8. Carbon Monoxide Detectors

Springwater Environmental Sciences School certifies that all buildings subject to the Healthy and Safe Schools Plan comply with the carbon monoxide detection standards in the state building code that was in effect when the building was originally constructed or as required by building code due to addition, upgrade, or remodel.

9. Test Results Publication

Springwater Environmental Sciences School is complying with the requirement to provide access to test results, as defined by OAR 581-022-2223 within 10 business days as defined by ORS 332.334. Test results can be found on Springwater website at: [Springwater Home Page](#)
Specific test results can be found as follows:

- Lead in Water: [here](#)
- Radon: To be completed Fall 2020

Additionally, copies of all test results are available at 16491 S. Springwater Rd. Oregon City, OR 97045. Springwater Environmental Sciences School will also use current school email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of the community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact April Newlon (april@springwaterschool.com) to be added to current school email lists and programs.

I certify that the above information is true and accurate to the best of my knowledge.
